About the Position:

Interior Designer III is an organized, detail-oriented, and self-motivated professional with a strong foundation in design and technical execution. The ideal candidate brings experience in commercial, multifamily, and mixed-use projects and demonstrates a genuine desire to continue developing their professional skillset.

This role requires a high level of technical expertise, including thorough knowledge of building codes and construction documentation. An Interior Designer III thrives in a collaborative team environment, contributes thoughtfully to design solutions, and approaches challenges with confidence and creativity. Strong problem-solving abilities are essential.

Effective time management and clear communication skills are imperative, as this position involves balancing multiple projects simultaneously. At Nequette, team members are empowered to take ownership of client relationships; therefore, strong interpersonal skills and a client-focused mindset are highly valued.

Essential Functions and Responsibilities:

- Originates, or helps to originate, designs and manages all aspects of a project with limited support from a team leader.
- Understands construction types, interior-related code, and interior detailing on projects.
- Ability to carry out complex assignments while developing new techniques.
- Handle multiple, varied activities at one time.
- Follow through to make sure all schedules and timelines are met.
- Develop and maintain positive working relationships both internally and externally.
- Communicate directly with the client and team with a full understanding of scope and expectations.
- Work at a fast pace without compromising quality.

Requirements:

- Work experience in commercial fields (retail, restaurants, hotels), and multi-family and mixed-use design
- Proficient understanding of construction drawings and detailing of various size projects
- Understands how engineering trades, consultants, budgets, and schedules impact architectural and interior design

- Must have a driven, determined, and self-disciplined approach to achieving results.
- Strong communication skills both written and verbal
- Ability to work in a team environment.
- Must be adaptable and flexible to change
- Strict adherence to deadlines
- Strong attention to detail and organization
- Strong multi-tasking abilities
- Occasional travel required

Qualifications:

- Bachelor's degree in Interior Design from an accredited program
- 5+ years of experience
- CIDQ Licensed Interior Designer
- Proficiency in AutoCAD
- Proficiency in Microsoft Office suites
- Proficiency in Revit and Photoshop not required, but a plus.

Nequette Core Values:

Nequette is rooted in our commitment to community: the clients we design for, the people who live in and enjoy the spaces we create, and the team members we work alongside every day. Each of us honors this commitment by adhering to our core values: maintaining an attitude of excellence, placing communication and collaboration at the center of our relationships, and encouraging growth and creativity, both as a team and as individuals. We understand the importance of mutual respect; therefore, new team members can expect a supportive culture that advocates for personal and professional development, honesty, humility, and fun. At Nequette, we put people first.
