

Architectural Summer Intern

Who We Are:

At Nequette, we are place-makers who create thriving mixed-use town centers that capture the character of yesterday, while anticipating the financial & and environmental challenges of tomorrow.

Whether the project is mixed-use communities with strong town centers, multi-family housing, infill commercial spaces in urban settings, or market-rate residential neighborhoods—our goal is always to solve problems, create a sense of place, and bring people together.

Our talented team approaches each design creatively and precisely, delivering high-quality and innovative solutions in every project step—from master planning to architectural and interior design, to furnishing spaces, to comprehensive branding. Our clients can expect a compassionate, collaborative, and creative experience utilizing every aspect of our multifaceted design collective that puts their needs and vision first. At the heart of it all: we create enduring, beautiful communities that continue to tell a story for generations to come. For more information, visit www.nequette.com.

About the Position:

The Architectural Summer Intern should be an organized, detail-oriented, and self-motivated designer. The ideal candidate should be comfortable operating in a collaborative environment, eager to learn, interested in mixed-use and multi-family projects, and have a desire to grow your professional skill set. Time management and good communication skills are imperative, as involvement in multiple projects at once is a given. This is a full-time/40 hour per week, paid, in-person internship in Birmingham, AL. Internships typically span 2-3 months, but timelines are flexible.

Requirements:

- Must have drive, determination, and a self-disciplined approach to achieving results
- Strong communication skills both written and verbal
- Ability to work in a team environment
- Must be flexible to changes
- Strict adherence to deadlines
- Strong attention to detail and organization
- Must reside in Birmingham, AL for the duration of the internship

Qualifications:

- Enrolled in an accredited Bachelor's or Master's program in Architecture
- Experience with CAD and/or REVIT a plus

Core Values & Culture:

Nequette is rooted in our commitment to community – the clients we design for, the people who live in and enjoy the spaces we create, and, most importantly, the team members we work alongside every day. Each of us honors this commitment by adhering to our core values: maintaining an attitude of excellence, putting communication and collaboration at the center of our relationships, and encouraging growth and creativity both as a team and as individuals. We know the importance of mutual respect; therefore, new team members can expect a culture that supports personal development (conference attendance, mentorship program, assistance on the path to licensure, AIA involvement, etc.), champions honesty and humility, and knows how to have a little fun. Above all, we put people first.

Qualified candidates, please send resumes to: jobs@nequette.com
